| Who are the best drivers? Which drivers are the safest on the roads? According to a recent survey,          |
| young and inexperienced drivers are the most likely to have an accident. Older drivers are more careful.    |
| Young men have the worst accident records of all. They often choose faster cars with bigger engines. One    |
| of the most interesting facts in the survey is that passengers have an effect on the driver. When young     |
| male drivers have their friends in the car, their driving become worse. When their wife or girlfriend is in |
| the car, however, their driving is better. But opposite is true for women. Their driving is more dangerous  |
| when their husband or boyfriend is in the car.  |
