PART C. READING

I. Read the following passage and put a word in the box in each of the numbered blanks. There is ONE extra word.

helpful are moreover bad from make

Computers are (21) _____ in many ways. First, they are fast. They can work with information even more quickly than a person. Second, computers can work with a lot of information at the same time. Third, they can keep information for a long time. They do not forget things that the common people do. (22) _____, computers are almost always correct. They are not perfect, but they usually do not (23) _____ mistakes.

Recently, it is important to know about computers. There (24) _____ a number of things to learn. Some companies have classes at work. In addition, most universities offer day and night courses in Computer Science. Another way to learn is from a book, or (25) _____ a friend. After a few hours of practice, you can work with computers. You may not be an expert, but you can have for fun.

II. Read the passage and choose the correct answer for each question.

My name is Sara, and I love shopping online. I prefer mobile phone apps, but sometimes I use my computer. The phone is more convenient for me, and I can even do my shopping from bed!

I love shopping so much that I buy everything I need at home. I get food, electronics, books, and even large pieces of furniture like my sofa and bookshelves all online! But I still prefer getting clothes from a store so I can try them on to be sure they fit me fine.

Yesterday, I bought a birthday present for my mother, and **it** arrived today! That saves me a lot of time. I am a very busy person, and I am a little forgetful too. If I think of something I need, then it is wonderful that I can buy it at that moment.

My friends aren't as comfortable with buying things online as I am because they think that it can be dangerous. Of course, bad things sometimes happen, but I am very careful with all of my personal details. I think the biggest fear that people have with using their credit cards online is that someone will steal their number. It is important to be sure that the web page is secure. You can see this if the address has got an "s" in it, like <https://>. That "s" means it is safe. People should not be afraid of shopping online. I think it will be the only way we will do our shopping in the future!

26. According to the passage, what means does Sara use for shopping online?
A. computer B. a mobile phone C. a computer and a phone D. a sofa
27. What did she buy for her mother yesterday?
A. food and electronics B. a birthday present C. books D. everything
28. Why do her friends dislike shopping online? – Because they think _____.
A. it can be dangerous. B. It is so funny.
C. Everything is expensive. D. It wastes time.
29. What is the word "**it**" refer to?
A. her mom's birthday B. food C. a book D. present
30. What is the text about?
A. shopping online B. shopping at the wet market C. relaxing time D. weekend

Now, this day is becoming more and more popular in over the world.

II. Read the following passage then choose the best answer A, B, C or D

When you are drinking a cold beer on a hot day, or eating a delicious cheese sandwich, you can thank biotechnology for the pleasure you are experiencing. That's right! Beer, bread and cheese are all produced using biotechnology. Perhaps a definition will be useful to understand how. A standard definition is that biotechnology (or biotech for short) is the application of science and engineering to the direct or indirect use of living organisms.

And as you know, the food and drink above are all produced by the fermentation of micro-organisms. In beer, the yeast multiplies as it eats the sugars in the mixture and turns them into alcohol and CO₂. This ancient technique was first used in Egypt to make bread and wine around 4000BC!

1. What is the main topic of the article?
 - A. Brief history and modern developments of biotechnology
 - B. Benefit of biotechnology
 - C. Modern research in biotechnology
 - D. Origin of biotechnology
2. What is not a product of biotechnology?
 - A. bread
 - B. beer
 - C. cheese
 - D. fish
3. Biotechnology (or biotech for short) is the application of science and engineering to the direct or indirect use of _____.
 - A. short organisms
 - B. organisms
 - C. living organisms
 - D. indirect and direct organisms
4. What was the ancient technique to make first used around 4000BC?
 - A. bread
 - B. wine
 - C. both bread and wine
 - D. Not given
5. Where was the ancient technique to make bread and wine first used?
 - A. Europe
 - B. Egypt
 - C. Russia
 - D. America
